

## **FLEXIBLE MEMBERSHIP**

Flexible Membership is designed to suit the modern lifestyles of those whose working and family life leaves them with little time to play golf and who cannot justify the full subscription. It is also an ideal membership for those trying golf for the first time and do not wish to commit to the expense of a full cost subscription.

Flexible membership will give golfers the full range of facilities and experiences available only to members of Knott End Golf Club. It is a membership for those who want to be fully involved with their Golf Club, play friendly games at the weekend or participate in competition golf\*, or a relaxing 9 holes at the end of the day followed by a drink with like-minded people. If this is you then come to Knott End Golf Club as a valued member with many of the privileges membership brings such as an official handicap, access to the Clubhouse, playing in some of the annual competitions and being a part of the active club social life.

A Flexible member receives 365 golf credits when they make their first annual payment of £390. Each time they play, a number of credits are deducted according to the time of day and day of the week (see chart below). Members running low on credits can top-up a maximum of twice at £100 each time for a total of 200 extra credits and keep on playing. Affiliation Fees for men cost £12.25 and for ladies, £16.75.

The number of rounds that can be played with Flexible membership depends on when they are played. For example, the 365 credits provide 12 rounds of golf when playing at peak times during the weekend. Playing on midweek afternoons results in the opportunity to play nearly 18 rounds. Topping up gives even more golf with a maximum of 18 rounds of weekend morning golf or 28 rounds of weekday afternoon golf.

The member must book via the BRS online booking system and this will be monitored by volunteer marshals. Unused credits remain valid for a further year only when membership is renewed.

The Flexible membership will have the benefit of a bar card which can be loaded separately with cash to pay for food and drink in the Clubhouse. Members are then entitled to a 10% discount on drinks from the bar and the additional benefits of social functions.

\*Flexible members may not enter Trophy or Cup Competitions or any Honours Board event. Flexible Members may enter all medal and stableford competitions.

Flexible Membership from 1<sup>st</sup> July for the 6 months until 31<sup>st</sup> December 2017 will cost £195 + £12.25 for men and £195 + £16.75 for ladies and 180 credits will be received.
