A Lifetime of Healthy Enjoyment & Friendship

Established in 1910, a stunning 18 hole Golf Course designed by James Braid, which represents all that is best in a part links and pastoral course.

The front 9 holes run alongside the River Wyre with breathtaking views of the Bowland Fells, Morecambe Bay, Lakeland Fells and our fabulous clubhouse. The back 9 take you down into the woodland part of the golf course with fantastic views of the local countryside and wildlife.

The clubhouse boasts a nautical design with a contemporary interior for your enjoyment; a haven for both members and visiting golfers.
