

# Jonathan Salisbury PGA Golf Professional

Hi, my name is Jonathan and I am the new head professional at Knott End Golf Club. I first started playing golf at Lancaster Golf club at the age of 13, by the age of 17 I was playing off a scratch handicap and competing for Lancashire. During this time I studied for two years at Myrescough College. At age 21 I decided to turn Professional and competed regularly on the PGA North Region Circuit. I completed my PGA degree in 2009 whilst working under David Sutcliffe at Lancaster Golf club. The the last two years I have been based at Preston Golf Club working under head pro Andrew Greenbank. I have been teaching golf for almost 10 years and have built up a large client base. I have also gained a good reputation for Junior Coaching and helped my two previous golf clubs attain new juniors members.

I am extremely proud to be the Head Professional at such a fantastic Golf club. I'm very much looking forward meeting everybody and getting started.

## Introductory offers

In the next few weeks I will be placing orders for clothing and equipment. I feel it is important for the members to have a say in this. I will be printing out a survey on your favourite brands and hopefully this will give me a better idea of what brands to stock.

I am hoping to have a brand new epos till and accounts system up and running as soon as possible. Once it has been installed there will be a introductory special offer. Spend £100 on your pro shop account and receive an extra £20 credit for free.

Cash for clubs! If you have any old golf clubs at home or in the garage, turn them into cash for your shop account. I have a well established Ebay account and at my previous golf club members took advantage of this great offer and it was huge success. You Simply bring them into the pro shop I will list them on that day and in 7 days your account will receive the cash credit on your pro shop account.

## Junior summer camps

More information to follow...

## Free Loft and Lie check

I have a Golfsmiths Loft and Lie machine in the Pro-Shop. Through the summer Months I will be offering all golfers a Free Loft & Lie check.

You will hit shots off a lie board with lie tape attached to the sole of the club and face tape attached to the club face. After 5 shots we check the tapes and see where you are striking. If the strikes are towards the heel the clubs are too upright, Towards the toe the lie is too flat. Its vital to get your clubs adjusted so your striking your ball consistantly from the middle of your clubface. This will lead to improved accuracy out on the golf course.

If your iron set needs to be adjusted the cost will be **£20**

### Lie

The diagram below shows the effects that poor lie angles can create on ball flight. Lie angles can be easily measured by using a strike board and impact tape.

### Loft

Iron sets also have a pattern through the set, this is usually 3-4 degrees apart which equates to 12-16 yards gap between each club. Most iron sets when checked, have clubs that are only 2 degrees apart, this means you may have two irons that have roughly the same yardage.

Please look out for upcoming promotions in the shop and on the notice boards.
